A Step-by-Step Video Guided Hands-On Cadaveric Rhinoplasty Dissection Course with Professor Pietro Palma

5 December 2011

Professor Pietro Palma, University of Insubria-Varese, Italy

Professor Pietro Palma graduated from the University of Bologna, Italy. He has co-authored two textbooks with Professor Sulcetti, entitled “Chirurgia Funzionale ed Estetica del Naso” and “I Disordini Ostruttivi Respiratori nel Sonno”. Professor Palma has also published 127 scientific papers since 1985; the majority of them covers the topics of rhinology, rhinoplasty and facial plastic surgery. Professor Palma is the current President of the European Academy of Facial Plastic Surgery (EAFPS).

LECTURE 8:30am – 12:30pm

BASIC TECHNIQUES OF RHINOPLASTY. PART I. THE NASAL TIP

Detailed anatomy of the nasal tip with a surgical perspective.
Open approach, Fundamental principles. Variations of this technique.
Endonasal approaches to the nasal tip structure : a) transcartilaginous (splitting) incision; b) delivery approach; c) transvestibular approach.

BASIC TECHNIQUES OF RHINOPLASTY. PART II. SURGERY OF THE DORSUM

Detailed anatomy of the nasal dorsum with a surgical perspective.
Surgery of the bony nasal dorsum. Resection of the nasal hump.
Osteotomies: techniques, sequence, complications.

SPECIAL PROBLEMS

The complex septum
The saddle nose deformity
Grafts & implants in secondary rhinoplasties

VIDEO SESSION

Interactive rhinoplasty video discussion prior to the dissection.

LUNCH 12:30pm – 13:30 pm
THE NASAL TIP

Topographic orientation of the nasal tip. Surface anatomy.

Delivery Approach

Open Approach

ENTRANCE TO THE SEPTUM

Exposure of caudal margin of the septum via hemitransfixation incision. Creation of a unilateral septal tunnel to expose cartilaginous septum. Septal cartilage harvesting technique and cartilage graft sculpturing (columellar strut, tip graft, spreader grafts).

MODELING OF THE OSTEOCARTILAGINOUS DORSUM

Skeletonization of the dorsum. Resection of the osteocartilaginous hump. Percutaneous osteotomies.

STRUCTURAL GRAFTING TECHNIQUES

Structural grafts, positioning and sutures (columellar strut, tip graft, spreader grafts).

SUTURE

Suture closure of mid-columellar incision. Suturing of entry points near the nasal tip.
Remarks:

Instruments will be provided but course delegates are welcome to bring their own instruments. Please kindly inform the secretariat if you wish to do so for inventory purposes.

Two participants will share one cadaver head.

All participants will agree to follow Professor Palma’s step-by-step command so as to fully understand the rhinoplasty dissection. Participants are to perform each step as group without deviation.

Local faculty will be present to supervise dissection tables.

Limited places granted on a first-come-first-served basis to the following specialty surgeons with an interest in rhinoplasty:

ENT and Facial Plastic Surgeon
Plastic, Reconstructive and Aesthetic Surgeon

A Step-by-Step Video Guided Hands-on Cadaveric Rhinoplasty Dissection Course
(5 December 2011)

REGISTRATION FORM

Complete this registration form in BLOCK LETTERS and return with the appropriate registration fee to the Secretariat (we accept fax and on-line registration for credit card payment).

Title □ Prof □ Dr □ Mr □ Mrs □ Ms
Specialty □ ENT / Facial Plastic □ Plastic, Reconstructive and Aesthetic Surgeon

Surname ______________________ Name __________________________
Institution __________________________________________________________
Mailing Address _____________________________________________________
Tel ___________________________ Fax ___________________________
Email _________________________

Payment Method
□ A bankdraft for USD/HKD made out to “The Chinese University of Hong Kong” is enclosed. (Personal cheques are acceptable for HK residents ONLY)
□ Please debit my credit card: Type: Visa / Master* (*delete as appropriate)
   Name _______________________
   Card Issuing Bank __________________________________________
   Card No _______-_______- ______-_______ Expiry date ____/____
   Amount USD/HKD ____________
   Signature ____________________ Date_________________________

Payment, Cancellation and Refund Policy
➢ Please note that full payment must be received with completed registration form.
➢ All cancellations must be made in writing to the Secretariat. The following refund policy will be observed:

| Postmarked, faxed or email on or before 31 October | Refund of registration fee less an administration charge of HK$450 |
| Postmarked, faxed or email after 31 October | No refund |

Should the Course scheduled have to be cancelled due to unforeseeable circumstances, the organizer shall try to reschedule the programme whenever possible. There will be no refund if the delegate cannot attend the re-scheduled programme. If, for reasons beyond the control of the Organizing Committee, the Course is cancelled, registration fees will be refunded after the deduction of conference expenses already incurred.
